## **Total Qualification Time (TQT)**

**Total Qualification Time (TQT)** is defined as the number of notional hours which represents an estimate of the total amount of time that could reasonably be expected to be required in order for a Learner to achieve and demonstrate the achievement of the level of attainment necessary for the award of a qualification. TQT is comprised of the following two elements:

- The number of hours which an Awarding Organisation has assigned to a qualification for Guided Learning; and
- An estimate of the number of hours a Learner will reasonably be likely to spend in preparation, study or any other form of participation in education or training, including assessment, which takes place as directed by - but not under the Immediate Guidance or Supervision of - a Lecturer, Supervisor, Tutor or other appropriate provider of education or training.

**Total Unit Time (TUT)** is defined as the number of notional hours which represents an estimate of the total amount of time that could reasonably be expected to be required, in order for a Learner to achieve and demonstrate the achievement of the level of attainment necessary for the award of a unit.

**Guided Learning Hours (GLH)** is defined as the activity of a Learner in being taught or instructed by - or otherwise participating in education or training under the Immediate Guidance or Supervision of - a lecturer, supervisor, tutor or other appropriate provider of education or training.

**Immediate Guidance or Supervision** is defined as the guidance or supervision provided to a Learner by a lecturer, supervisor, tutor or other appropriate provider of education or training with the simultaneous physical presence of the Learner and that person, or remotely by means of simultaneous electronic communication.

The Total Unit Time is 38 hours, including 18 Guided Learning Hours.

The Total Qualification Time for this qualification is 112 hours, including 53 Guided Learning Hours.

Learners may select to study by the Institute Assessment Route (IAR) or the Centre Assessment Route (CAR). Further information on each of these assessment routes is detailed below.

### Institute Assessment Route

The Institute Assessment Route (Knowledge Route) requires Learners to pass examinations and/or assignments that are set, marked and moderated by the Awarding Organisation. Full details on the IAR for this qualification are detailed over:

## **Mandatory Units**

Learners must sit and pass a total of two examinations and also complete a Workbook as detailed below:

- M1-L2 Introduction to Logistics – 1 hour examination that consists of 15 multiple choice questions and 15 questions that require an answer in the form of short sentences, or a simple calculation.
- M2-L1 Transport Distribution in Logistics – 1 hour examination that comprises of 20 multiple choice questions.
- M3-L1 Introduction to Business Communications – The Workbook has been designed to assess the knowledge and understanding of the unit content through a number of tasks built around various workplace scenarios. There is no time limit for completing the Workbook.

The overall pass mark for each examination and the Workbook is 50%.

Learners will be given the opportunity of two re-sits per examination. If after two re-sits Learners do not achieve a pass, then they will be required to re-register on the qualification to continue.

## **Centre Assessment Route**

The Centre Assessment Route (Competence Route) requires Learners to complete assessment that is designed, assessed and internally verified by the Centre; which is approved by the Awarding Organisation. As such, assessment methods will vary from Centre to Centre; however, to achieve this qualification Learners must provide evidence that successfully demonstrates achievement of all of the learning outcomes and associated assessment criteria for the mandatory units and for their chosen option unit. For further details on the CAR, Learners should contact their chosen Centre.

## **Recognition of Prior Learning (RPL)**

Recognition of Prior Learning is where a Learner can demonstrate that they can meet the assessment requirements for a unit through knowledge, understanding and/or skills they already possess and therefore do not need to develop these through further learning.

Some Centres may offer RPL to the Learners, providing they can demonstrate that they have achieved the required criteria by the appropriate assessment method. This evidence can take a variety of forms, including: other qualifications, work records or witness testimony. Learners are only able to claim a maximum of 50% of this qualification by RPL. For further details on the availability of RPL, Learners should contact their chosen Centre.

## **Grading Type**

This qualification is not graded. All examinations are pass/fail and assignments are also pass/fail, but may be referred to as previously stated in the Institute Assessment Route section.
